Notes

New Products

Although we have a dedicated section at the beginning of the pricelist, new products can also be easily identified throughout this catalogue as they are designated “New” in bold type on the right hand side of the page.

Price Changes

Up and down arrows indicate if a price has risen or fallen.

Legend

You will notice that we've added grey boxes to the left of the codes. In the instances where letters appear, the legend is as follows:
G = Gluten Free, O = Organic, F = Fairtrade, W = Wheat Free, D = Dairy Free, S = NAS, V = Vegan, I = Irish

Minimum Order

Minimum order requirement is €500 for free delivery. Should your order fall below this amount, your order will be subject to a €45 carriage charge.

Payment Terms

Goods are sold on a Cash-on-Delivery basis, or prepay on a courier delivery. If credit terms have been agreed between the customer and Independent Irish Health Foods Ltd. (IIHF), then it is essential that these terms are adhered to. Statements are issued at the beginning of the month and payments should be made before the 15th day of the same month. On this date, all monies for the previous month fall due.

Returns

Should a customer have a legitimate reason for returning goods, the goods must be accompanied by the appropriate IIHF documentation detailing the circumstances of the return. If goods are being returned on the same day as delivery, then it is sufficient to record details on the delivery invoice. A claim cannot be processed before the relevant goods have been returned. We must be advised within 3 days of receipt of stock if there was a problem with your delivery. Please double-check your codes before placing your orders as mistakes can prove costly for all concerned, and will incur a 10% restocking fee.

Ownership of Goods

Goods will remain the property of IIHF until full payment has been received.

Shelf Life

Goods supplied at ambient temperature will be supplied with a minimum shelf life of 30 days. Chilled goods will have a minimum shelf life of 7 days.

Pricelist Period

Prices charged correspond to the time when an invoice is printed. When ordering at the cusp of the month, customers should be careful as to which price list their order relates. While every effort will be made to be faithful to published prices, IIHF reserves the right to adjust prices if necessary. All prices are in EURO and exclude VAT where applicable.

Case Sizes

Goods are sold in quantities as detailed in the price list. Chilled, frozen, supplement and body care lines (with the exceptions of Atlantic Aromatics, Natracare, Organyc, Simply Gentle, Suma Soaps and any display/gift packs) may be bought in single item amounts. Every effort has been made to keep pack sizes low for high price items.

Medicinal Products

Medicinal products are supplied on the basis that they are exclusively for supply to the public, and that no further wholesale distribution shall take place.

Advice

IIHF gives no formal undertaking as to the suitability of any given product for any consumer. Both customers and end users should inform themselves fully before using any goods distributed by IIHF.

These terms and conditions in no way infringe upon a citizen's statutory rights.

True News..... What's New!

You better believe it, it's True! Your favourite 'independent' food brand is growing again, offering even more choice and value to your customers! This month sees the launch of two more new products to the range... and stay tuned because there are even more on the way!

Proudly made in Ireland from Irish-grown flax seeds, True Natural Goodness milled flax seeds are a high-quality product that will appeal to health-conscious consumers. Their milled texture and delicate nutty flavour make them an easy addition to any diet. Perfect for use in baked goods, energy balls, or as a topping for porridge, soups, salads, smoothies, and yogurt, these milled flax seeds provide a nutritional boost! Stocking this product offers retailers an Irish-made option, available exclusively to the independent trade, that stands out for its value and quality!

Code	Brand	Product Description	Pack	Price	VAT	RRP
50365B	True Natural Goodness	Milled Flax Seeds	1x400g	4.49		6.29

Due to popular demand, we are excited to introduce Sel de Guérande in a bigger, better value, 750g pouch! Collected from the scenic salt marshes of the Guérande Peninsula in Brittany's Celtic region, this sea salt is created through the natural evaporation of seawater, a process driven by sun and wind. Expert salt workers, using traditional methods, carefully hand-harvest each batch, keeping it unwashed to preserve its authentic marine essence. Whether used in cooking or as part of a wellness routine, Sel de Guérande offers a simple, yet effective way to enhance both food and well-being for your customers!

Code	Brand	Product Description	Pack	Price	VAT	RRP
50366B	True Natural Goodness	Sel de Guerande	1x750g	6.42		8.99

True Natural Goodness planted 10,000 trees in 2023 and are committed to building on that in 2024. All purchases of True Natural Goodness products help to support our mission.

Choose True, Choose Trees.

What's New elsewhere

Ucha Kombucha

Biogroupe, the creators of Karma Kombucha, are excited to introduce Ucha Kombucha to Ireland—a new brand offering 100% organic, raw, unpasteurized, and fair trade kombucha in a convenient 350ml glass bottle. A naturally fermented sparkling tea, with just 2.5g of sugar and 11 kcal per 100ml, Ucha is an ideal healthier alternative to sugary drinks and is designed to meet the growing demand for health-conscious beverages that support a healthy microbiota, promote better digestion, immunity, and overall well-being.

Biona

Expand your Biona product offering with their new organic antipasti range, including Aubergine Pesto, Grilled Artichoke Hearts in Oil, Grilled Red Peppers in Oil, and Sliced Green Olives. Each item is created from the finest organic ingredients, delivering authentic Mediterranean flavours that cater to discerning customers. These versatile products are perfect for gourmet party platters, enhancing salads, or adding a premium touch to home-cooked meals. Also new to the Biona range this month are their organic orange spread and organic super-seeded bread!

Booja Booja

Chocolate Wonders are new, amazingly delicious little chocolate adventures from Booja-Booja. Made with the same high-quality, simple, organic ingredients as the company's award-winning truffles, Chocolate Wonders are bite-sized bubbles of chocolate bliss, packed in handy resealable, 100% recyclable, pouches. Available in four irresistible flavours; Hazelnut; Cookie Dough; Salted Caramel; and Raspberry Scrunch, they are the perfect little treat to bring wonder into every day!

Nua Naturals

Get kids ready for the new school year with Nua Naturals' Kids Multi Nutrient Protein Blend, the perfect nutritional solution for growing bodies and minds. Specially formulated with pea protein and a unique bone-strengthening mix, this blend is packed with essential vitamins and minerals to support children's development through every stage. Nua Naturals' all-in-one formula not only meets daily nutritional needs but also helps build a strong foundation for lifelong health and well-being. Make back-to-school season healthier and easier with this essential addition to every family's shopping basket!

What's New elsewhere

Pasta Cusumano

Introduce your customers to Pasta Cusumano, the only Irish-made artisan pasta on the market bringing together the best of Italian tradition and Irish craftsmanship. This premium pasta is crafted using time-honored techniques, combining the finest durum wheat semolina and pure water to produce exceptional quality. Pasta Cusumano's use of bronze dies ensures a superior texture, in a range of pasta shapes, that hold sauces beautifully, offering a truly authentic culinary experience. The ideal choice for your store's premium and locally-sourced product offerings!

Superbon

Superbon Crisps are the perfect addition to your snack aisle. These gluten-free, vegan crisps are seasoned with natural ingredients, ensuring a clean, high-quality snack option. Crafted by Chef Philippe, Superbon Crisps deliver exceptional flavour with their thinly sliced fried potatoes and perfectly balanced seasoning. The eye-catching packaging, designed by artist Greg Ewing, adds a touch of artistry to your shelves. Produced in the Madrid region, specifically in the Chueca neighbourhood, famed for its potato chip heritage, Superbon Crisps are crunchy, rich in potato flavour, and free from preservatives and colouring. Stock Superbon for a snack that combines gourmet taste with visual appeal!

TrueStart Coffee

TrueStart Coffee, a pioneering brand since 2015, combines exceptional taste with outstanding health benefits. Dedicated to sustainability, TrueStart is a Carbon Negative business and certified B-Corp. The brand's innovative approach includes thorough mycotoxin testing and consistent caffeine levels, providing a smooth and jitter-free experience. Rich in antioxidants and minerals, TrueStart coffee even surpasses green tea in antioxidant content! TrueStart's premium instant blends offer a flavourful, guilt-free alternative to other coffee brands while their commitment to purity and quality makes TrueStart a top choice for health-conscious coffee enthusiasts.

G&G

G&G Kombucha, an Irish-owned brand founded in 2019 by Clodagh O'Connor, combines the power of nature with nutrition to support an active lifestyle. Originally known for their bottled kombucha, the brand now offers convenient powdered wellness solutions tailored for busy lives. Their Kombucha Powder jump-starts mornings with a blend of green tea, apple cider vinegar, and ginger, while G&G Hydrate, packed with electrolytes and vitamins, promotes optimal hydration and recovery. Designed to enhance energy and support muscle recovery, G&G Kombucha's products seamlessly integrate into daily routines, helping users achieve a balanced, healthier life.

What's New elsewhere

Known

Known Nutrition is more than a brand; it's a movement dedicated to transforming lives through the power of nutrition. Their mission is to empower people with naturally formulated supplements that work and taste great. By combining innovation with scientifically backed ingredients, they create effective formulas. Known Nutrition prioritizes natural, GMO-free ingredients, responsible sourcing, cruelty-free practices, and recyclable packaging. Their delicious supplements make healthy habits easy to form, ensuring the best for your well-being. Committed to inclusivity, Known Nutrition offers a wide range of affordable, tasty supplements, making good health accessible to all!

Known

Nuzest

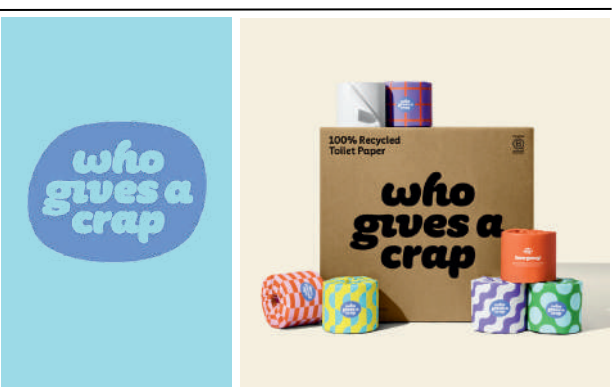

Nuzest's NEW Plant Protein Plus+ range is built on their signature premium European golden pea protein, each product in this range is specifically designed to target different aspects of overall wellness and vitality. 'Glowing All Over' is packed with vitamins and minerals that promote healthier hair, skin, and nails, along with Dermaval™ - a scientifically-backed complex that helps protect collagen and elastin. 'Immune Amie' boosts your immune system with ingredients that enhance immune function and includes adaptogens to help your body cope with stress. 'Vibrant Insides' focuses on supporting the interconnected systems of gut health and immunity. Created for busy individuals who prioritize their health, there's something for everyone!

Kefirko

Offer your customers the opportunity to bring the art of fermentation into their homes with Kefirko's innovative range of fermenters. The Kefir Fermenter makes it easy to create fresh, probiotic-rich kefir at home, thanks to its specially designed glass jar and strainer lid. For those interested in pickling, the Veggie Fermenter is perfect for crafting delicious and healthy pickles and fermented vegetables, supporting gut health. Baking enthusiasts will love the Sourdough Fermenter, which is ideal for nurturing a robust sourdough starter and includes a versatile cup for precise measurements and convenient storage. Also available in the range are grains and starters, ensuring a seamless and enjoyable experience!

Kefirko

Who Gives a Crap

Who Gives A Crap, a brand known for its quirky sense of humor, has a serious mission: improving global sanitation. Founded in 2012 by Simon, Jehan, and Danny, the company began with a crowdfunding campaign after discovering that 2.4 billion people lacked access to proper toilets. In just 50 hours, they raised over \$50,000, and by March 2013, they delivered their first product. Today, Who Gives A Crap donates 50% of its profits to support toilet construction and sanitation projects in developing countries. While the brand has expanded beyond toilet paper, they remain committed to their original mission of combining humor with meaningful change.
